ORDER

Petitioner, an inmate currently incarcerated at McRae Correctional Facility in McRae, Georgia, filed the above-captioned case pursuant to 28 U.S.C. § 2241. Upon review of the record, it appears that Petitioner is challenging the judgment of conviction obtained in the United States District Court for the District of Massachusetts. While this Court has jurisdiction over this petition, it is the practice of this Court to transfer an action attacking a conviction to the district in which the original criminal proceedings were conducted. Therefore, it is hereby **ORDERED** that the captioned action is **TRANSFERRED** to the United States District Court for the District of Massachusetts for further consideration. The Clerk of Court is **DIRECTED** to immediately forward the file to that District.

SO ORDERED this 21st day of January, 2004, at Augusta, Georgia.
